

2022-23 STUDENT LOAN APPLICATION

LOAN INFORMATION: For graduates of Lincoln High School, the maximum educational loan is \$2,000.00 per school year with the possibility of additional loans upon application to a maximum of five (5) years or \$8,000.00 (\$4,000.00 for technical schools). Loans are due and payable within 10 years of the receipt of the first loan. Students will not be charged interest while actively pursuing full-time study at an accredited school of higher education. Interest rates will be adjusted annually during periods when a student is enrolled less than full-time or following termination or graduation from school. Interest rates are approximately ½% less than the federal Stafford loan rate. A six (6) month deferment on interest charges will be given upon graduation.

Keep in mind: This loan is separate from Perkins, Stafford, and Great Lakes and our program does not fit anywhere into the criteria for loan consolidation or loan forgiveness at the time of graduation.
